

Tomato, Herb & Vegie Potting Mix

Home grown food is good for you. And the healthier it grows, the healthier it will be to eat. So give your potted tomatoes, vegetables and herbs a head start with Organix Tomato, Herb and Vegie Potting Mix. Formulated especially for growing in pots, it's 100% organic BFA Certified & Premium Australian Standard.

So grow your edible plants with Organix Tomato, Herb and Vegie Potting Mix this season. They'll taste the difference, and so will you.
